Worksheet: Who Will You Be in Your Photograph?

Think about why we make photographs, about photographs as a storytelling device, and who you would like to be in your photograph.

THINK: Who would you like to be in your photograph? You could be a character in a movie or a book. You could be one of your ancestors. Draw or list your ideas below:

INVESTIGATE: Look at the materials your teacher has for you. You can try out some ideas with them. You can dress up as a character. Draw or list your ideas below:
